

ENABLE SHARED SERVICES

Improve efficiency of shared services

OPPORTUNITY TO IMPROVE THE BUSINESS CLIMATE

The NKY Chamber, as the leading business organization of the region, will focus on identifying shared services that will create greater ease of doing business.

Find a solution to the mounting cost of local government services, which are passed on to businesses in the form of taxes and fees.

APPROACH TO TACKLE THE ISSUE

- Expand legislative options and remove barriers for local governments to share and partner in providing services.

WHY DOES IT MATTER TO MY BUSINESS

Local taxes and government fees cost businesses money. Fragmented local government services and taxation are confusing and costly for businesses and customers.

WHAT WE ARE ASKING AN ELECTED OFFICIAL TO DO

- Support legislation to expand shared services and partnering options.
- Support legislation to incentivize shared services by local governments.
- Support legislation to remove barriers for local governments to share services, equipment, buildings and staff.
- Provide additional options for local governments to simplify cost sharing and revenue collection for shared services at the local level.
